Thursday, June 17, 2021, 7:30 pm

Dear Friends,

Silverdale is delighted and honored to participate in "Project We Care E-mpower Me Week 2021", organized by People's Association. We sincerely thank People's Association for giving us this opportunity to share our experience and knowledge with the very society that has nurtured us.

The Zoom event is scheduled for 7:30 pm on Thursday, 17th June, 2021 where Mr Sanjay Guglani, Chief Investment Officer of Silverdale Bond Fund, will explain how to invest for regular income, covering the basics of investments and very importantly, how to make your money work harder for you.

It will coach the audience on the basics of personal finance in order to achieve good "personal finance hygiene", and arm them with the basics of investing; thereby empowering them to confidently convert their savings into investments, resulting in additional life-long income stream. Regardless of participants' level of financial literacy, the presentation will be enriching and will provide valuable and actionable investing takeaways for everyone!

We are very excited and are looking forward to "E-mpower" the community!

With best regards,

Team Silverdale
