

Investment Product Analyst Internship/Full Time Position

Silverdale Capital Pte Ltd is a Monetary Authority of Singapore (MAS) licensed fund management company. We manage several award-winning funds, inter alia Silverdale Fund VCC: Silverdale Bond Fund, Silverdale India USD Bond Fund, series of Silverdale Fixed Maturity Funds (FMPs), Silverdale Credit Opportunities Fund and Silverdale Bespoke Funds.

Silverdale seeks talented and ambitious career-driven finance professionals to provide investment product research, analysis, and support existing funds and new fund launches.

Job Description

- 1) Collating industry and sectoral research to identify gaps and opportunities in the market which can be exploited by Silverdale Funds as well as incorporating them in to Silverdale collateral (presentations, pitch books, product literature etc.) and assist in investor relations.
- 2) Evaluating various asset classes, competition landscape and fund flows to assist in conceptualization and launch of new funds.
- 3) Assisting investor road-shows, engaging with existing and potential investors to understand their requirements, developing customized and generic funds and addressing investor queries.
- 4) Coordinating with investment team, business development team and legal team to ensure consistency in messaging, branding, content communication and product material.

Skills / Requirements:

- Graduate degree in Business Administration, Economics, Finance or equivalent.
- Candidates with previous internship or work experience in Finance will be preferred.
- Demonstrated ability to maintain a high level of enthusiasm, motivation and strategic thinking.
- Efficient, precise, consistent and detail-orientation.
- Good working knowledge of Microsoft Office (Excel, Word, PowerPoint), exposure to Bloomberg and the ability to handle large data (Python) will be preferred.
- Singaporeans and those with working knowledge of Chinese language will be preferred.
- Exceptional Dependent Pass Holders will also be considered.
